I have always been alone.
Futaba-chan, this is the 8th time you changed schools?
That's kinda cool you know.
Uhm i'm kind of used to it too.
What does your father do?
He's an oceano-grapher.
Hey! Look outside!

Yanagi is fighting again?
Wah
Again? Who is that this time?
Ah!
The one with sharp tongue? What about it this time?
Is in t that Moriyama?
Something about sirens again?

I really don't wanna get tangle with that kind of people
More than half of our class have ignored him already you know?

Sorry..
Today I have to..
We can show you around if you want.
Futaba-chan are you free now?
Then..
See you tomorrow.
I don't really got things to do.
The truth is..

The sound of a piano...
There is still someone in school.
Where am I?
I just wanna walk the school a bit
but end up losing
a little lousy though
Music Room
Hmm.
Excuse me...

...
What?

Uhm.. sorry but...
I got lost and...
try to find the way back to the class but...
Thank...
Thank you

The piece you played just now
"The game of waves"
The last part...
Can you hold my hand? That's easier for me.

That part can be play like this,
narrow the width between your fingers.
That'd be easier
I made mistake on this before too
No need to thank me

The beach here is naturally beautiful just like the tale about where the sirens lives.
Honey
Really..?
If so can we stay here a little longer?
I don't know dear..
Maybe we'll have to leave soon.
The fisherman here don't particularly like experts you know
Is that so..

Anyway, I'll try to come to Mr Yanagi tomorrow
Yanagi?
The transfered student?
She declines everytime we invite her
That's girl is not really sociable is she?

That's annoying!
How about we isolating her?
Ah—
!

You don't really like the girls in class?
They are talking behind your back
That...
That's not it...
Tell them to the face if you don't want them to bother you...
They are nothing to you afterall
.....
I... have transfer 8 times already
and have seperated from many people
Every-time it was very painful...
and the thought of being forgotten strike me hard
Maybe...

maybe I'm gonna move again soon
That's why...
that's why I don't want to make any friend..
The music sheet..
I'm gonna buy another one
Wanna come along?

Eh?
Do you know any other?
How about... school?
You made it to the 3rt part of the "Sea" already right?
Just skip!
Oh the second!
Oh look! Who do we have here?
Not really well yet.
Fuke?

Our boy who don't have to worry about his future is here isn't he?
The successor of the old idiot who believe in sirens and stuff like that is stupid too you know
You can't be but fisherman Yanagi
BAS-TARD!!

I'm...
I didn't...
I'm sorry...
You...
You...!
fisherman
or sirens...
Don't you
think badly of...

I believe in sirens' existence too!
Just now, you're really incredible.
Sor
Sorry.
My grand-father is quite eccentric.
Aoa
that's why I became the victim.
.....
Because of that that I don't really like people.

You act like that
only make them think you take after your grandpa
.....
My father really loves the sea
almost like crazy you know But I really want to understand him
And me too, I've always thought that even if I'm alone, I can stand it
But I feel that we're similar
the two of us...

the sirens..
Let's go back
But if they really exist it'd be so beautiful

Now
follow
up and
practice.

!
So bright..
Mirror?
What's he watching?
What's he doing?

Down?

Stopping sleep is not nice, come out!
I don't want to meet you....
I'm a mermaid, seriously, isn't that great?
Why do I have to come out...?

I'm really sad now...
I'll never forget you.
Enough!
LIAR!

I don't lie.
Everyone forgot me eventually!
I'm a merman that's not lie
You've just lied to me!
What?

And I didn't see him again till the time I have to go
I didn't have any chance to give him..
Hey! The tranfered student!
Alone?

I haven't seen Yanagi recently. How is he?
I
don't know
What do you have here??

Just as I thought, you're really wierd.

The first piece I played
I wanted to give you them
These is for you..
Just that'd be enough for me.
to forget about me
Because I don't want you...
I...
don't ever lie
I said I would not forget you, didn't I?
